*The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace Numbers 6:24-26*

## 2nd GRACE Training Workshop

The Department of Clinical Microbiology at Christian Medical College (CMC), Vellore, organised the 2nd GRACE Training Workshop (General Rural and Community Laboratories Establishment) from 26th to 31st May, 2025. This initiative aimed to identify challenges, train personnel, and enhance diagnostic capabilities in rural laboratories within the CMC mission network hospitals.

The workshop focused on strengthening early detection of infectious diseases in peripheral rural hospitals. Following a thorough needs assessment, 15 participants registered for the course from 14 mission hospitals across 9 states, week-long hands-on training programme conducted by the Department of Clinical Microbiology.

The event commenced with an inaugural prayer by Chaplain Rev. Pearson, followed by an overview of the programme by the Course Coordinator, Dr. Beula Subashini. Dr. Balaji, Professor of Clinical Microbiology, warmly welcomed the participants.

Dr. Vikram Mathews, Director and Associate Director (Missions), emphasised the critical role of diagnostic laboratories in ensuring timely and effective healthcare in underserved regions. He acknowledged the dedication of mission hospital staff who continue to work with limited resources and often in challenging environments, underscoring how capacity-building initiatives like the GRACE Workshop serve as vital investments in both health infrastructure and human resource development.

Dr. Sebin, Missions Coordinator, also addressed the gathering and highlighted the broader vision of the missions department in supporting sustainable health systems. His remarks reinforced the workshop's focus on practical skill-building aligned with long-term community impact.

The workshop covered a wide range of topics, from basic to advanced laboratory techniques, tailored to address the specific diagnostic challenges identified in the network hospitals. Participants engaged in both lectures and practical sessions designed to enhance their skills and knowledge.

The programme concluded with a valedictory function, where participants were awarded certificates by Dr. John Jude, Head, Microbiology, for their successful completion of the training. This initiative was made possible through support from the CMC Vellore Mission Network Grant 2023 and the Australian Alumni Grant 2023, provided by the Australian Consulate General, Chennai.

At the conclusion of this third workshop the programme has successfully trained 37 participants in 32 mission hospitals across 23 states. The initiative was highly appreciated by participants, who expressed deep gratitude for the opportunity to enhance their skills and contribute more effectively to their laboratories and local communities.

## World Day for Safety and Health at Work 2025

In commemoration of the World Day for Safety and Health at Work, the College of Nursing, CMC Vellore, Chittoor Campus organised a series of awareness programmes and training sessions for all health professionals from 28<sup>th</sup> April to 30<sup>th</sup> April, 2025. The events aimed to promote a culture of safety and health in the workplace and to equip staff with practical knowledge on occupational safety.

### **Day 1: April 28, 2025**

An awareness talk on Healing the Healers was delivered by Dr. Kanagalakshmi, Professor of Community Medicine and Health and Safety Officer, Town Campus. She emphasised the importance of preventing various workplace hazards - physical, chemical, psychosocial, radiation-related, and ergonomic using relevant case examples.

Dr. Kanagalakshmi also reoriented healthcare professionals on the critical role of Personal Protective Equipment (PPE) in hazard prevention and elaborated on institutional policies related to needle-stick injuries.

The session began with a warm welcome by Mrs. JP Grace Angeline, Associate Professor. The weekly schedules and activities were communicated to the group. The vote of thanks was delivered by Mrs. Nirmala Margaret P., Principal, CON, CMCVCC.

### **Day 2 & 3: April 29 - 30, 2025**

A series of hands-on and interactive training sessions were conducted for the security personnel, RedSky staff, and Fire and Safety personnel at Chittoor Campus on the theme Move Smart: The Key to Patient Care and Staff Well-being. Mr. Dharani Kumar V. and Mr. Joshua C., Occupational Therapists from CMCVCC, demonstrated the correct body mechanics for transferring patients between a stretcher and a cot, emphasising techniques to minimise physical strain and injury risk.

Mr. Allen Joseph, Physiotherapist at CMCVCC, conducted a practical session on basic warm-up exercises, which the participants joined with great enthusiasm.

Additionally, a session focused on the safe handling of chemicals was led by Ms. Mary, HICC Nurse, for RedSky staff. She enlightened them on safe chemical handling practices, spillage management, and appropriate PPE usage.

Ms. Namitha, Tutor from the Medical Nursing Department, provided training to the RedSky staff on first aid management of chemical splashes. Various chemicals used in the clinical area were displayed, and the aspects of prevention and protection were explained to raise awareness.

On April 30, a brief introductory talk was given by Dr. Reginald Alex, Deputy MS, Chittoor Campus, and Occupational Safety Officer. The final session, titled Safe Moves, Better Care: Body Mechanics for Health Professionals, was conducted for all healthcare workers by Mr. Ronald Thombic Maradona, Tutor, Occupational Therapy, Occupational Health Team, Town Campus. He discussed common causes of muscle strain in healthcare settings and provided practical tips for safe movements and proper posture. The session concluded with group warm-up exercises, which were actively performed by all attendees.

The programme concluded with a vote of thanks by Mrs. J. P. Grace Angeline, Associate Professor, CON, CMCVCC.

## Fifth Advanced Trauma Life Support (ATLS)® Provider Course

The Department of Trauma Surgery recently conducted the fifth Advanced Trauma Life Support (ATLS)® Provider Course from May 29 to 31, 2025, at the Paul Brand Building, CMC Vellore.

Sixteen doctors from various departments and institutions participated enthusiastically under the guidance of Dr. Winston Noronha, Professor in the Department of General Surgery at Meenakshi Dental College, Chennai, who served as the Course Director. This marks another step in the department's ongoing efforts to improve trauma care, education, and injury prevention nationwide.

The course structure emphasizes critical thinking, collaboration, and a team-based approach to trauma care. It is designed to be highly interactive, with training led by certified doctors and hands-on practice using manikins and simulated patients. This approach ensures active participation and provides a deeper understanding of the material.

These initiatives reflect the department's unwavering commitment to educational excellence, strengthening trauma care capabilities, and fostering a culture of continuous learning and improvement.

## Workshop on Multilevel Modelling and Generalised Estimating Equations

The Clinical Epidemiology Unit (CEU) organised a two-day workshop on Multilevel Modelling and Generalised Estimating Equations on May 30 and 31, 2025, at the New Examination Hall, Bagayam Campus, CMC Vellore.

The faculty consisted of Prof. L. Jeyaseelan, Adjunct Professor, CEU and Professor, Biostatistics, Mohammad bin Rashid University, Dubai; Ms. Jothilakshmi, Statistician, Schizophrenia Research Foundation (SCARF, India); and Mr. Srinivas, Biostatistician. The inauguration started with a prayer by the chaplain, Rev. Rainard Pearson, followed by the chief guest's address by Dr. Jacob John, Additional Vice-Principal Research, CMC Vellore. Prof. Jeyaseelan introduced the workshop to the participants. Dr. Vignesh Kumar, CEU coordinator, gave the welcome address and delivered the vote of thanks.

The sessions consisted of a mix of lecture sessions and practical demonstrations using R software. Thirty-one participants from CMC, and institutions from all over the country, attended the workshop. The feedback was positive, with suggestions to continue similar workshops and many more advanced workshops to follow. The workshop was coordinated by the CEU faculty, Mr. Madhan Kumar and Mr. Frederick.

## Special Prayers June 08 - 14, 2025

**Paediatrics:** Dr. Sneha Deena Varkki and Staff  
Dr. Sara Mathai Nee Abraham and Staff  
Dr. Sathish Kumar T. and Staff  
Dr. Mona Matilda Basker and Staff  
Dr. Mary Anbarasi Johnson and Staff

**Developmental Paediatrics:**  
Dr. Samuel Philip Oommen and Staff  
Dr. Mary Anbarasi Johnson and Staff

**Paediatric Surgery:**  
Dr. Ravi Kishore B.S.S. and Staff  
Dr. John Mathai and Staff  
Dr. Sundeep M.C. Kisku  
Dr. Mary Anbarasi Johnson and Staff

**United Mission to Nepal**  
Council Member : Mr. Paul Chhetri  
Hospital : United Mission Hospital, Tansen and  
Okhaldhunga Community Hospital.

## Welcome

- **Dr. Felix Jebasingh K**, Professor, Department of Endocrinology, on his return from sabbatical leave.
- **Dr. Aditya Vijayakrishnan Nair**, Associate Professor, Department of Neurology, on his return from study leave.

## Laurels & Recognitions

- **Dr. Jemimah Talphina W.** and **Dr. Ansa Grace Koshy**, Final Year Post Graduates from Department of Respiratory Medicine have secured 1<sup>st</sup> prize in **Oral Paper Presentation at ATICON 2025**, in Chennai dated on 24<sup>th</sup> May, 2025.
- **Dr. Sruthi M. Ajith**, Final Year Postgraduate from Department of Respiratory Medicine, has Secured 3<sup>rd</sup> prize in E poster presentation at **BUILD Summit 2025**, in Kochi dated on 24<sup>th</sup> May, 2025.

## Retirements

**Mrs. Margaret Noble**, Senior Health Centre Auxiliary, CHAD (Community Health and Development) department, Christian Medical College, superannuated on 10<sup>th</sup> March 2025 after 40 years of dedicated service to the institution. She joined the CHAD department in 1984 as a Health Centre Auxiliary. She was a cheerful and hardworking staff member and contributed effectively to the growth of the department.

Her husband, Mr. M. Pushparaj, is an evangelist in the Vellore Diocese. Her son, Mr. Ajit Jaison Jacob, and daughter-in-law, Mrs. Sharon Linitte, work as Lab Technologists in the Virology and Pathology departments of CMC, respectively. Her daughter, Mrs. Benitta (alumna of CON, B.Sc. (N) Batch of 2012), and son-in-law, Mr. Varkeesh, are working in the UK. She is blessed with a granddaughter. The CMC family wishes her a blessed retirement.

**Mrs. J. Joy Flora**, Staff Grade Assistant Engineer, Biomedical Engineering Department, retired on 2<sup>nd</sup> May 2025 after 39 years of dedicated service to the Institution. Having completed her Diploma in Electronics & Communication Engineering, she joined the RUHSA Department as a Junior Engineering Assistant on 24th January 1986. She worked as a Technical Instructor for the TV Mechanic vocational course. She was later transferred from RUHSA and joined the Biomedical Engineering Department in 1994 as an Engineering Assistant.

Mrs. Joy Flora is a very sincere, faithful, and God-fearing person who is always ready to help others and accepts any responsibility with a smile. She played a vital role in the design, installation, and maintenance of all the Public Address Systems, OPD Patient Calling Systems, and Chapel Relay Systems at CMC Vellore. Her contribution to medical equipment installation, maintenance, and calibration over 30 years reflects how passionate and sincere she was until the day of her retirement. She effectively mentored junior staff and maintained a positive work environment with her ever-present smile. The way she maintained all the documents and records, along with the accountability she demonstrated even for minor tasks, showed that she was meticulous and dedicated to her work. She also taught electronics for various allied health courses run by the Institution, including the DHEM course. She was part of the Biomedical Calibration Lab, which was accredited by NABL in the field of Medical Devices Calibration.

Her husband, Mr. Joseph Johnson, is a retired staff member of CMC. They have three daughters: their eldest daughter, Mrs. Jeyalydia, works as a consultant at the National Health Mission, Chennai; their second daughter, Dr. Juliya Pearl, is an anaesthetist at New Cross Hospital, UK; and their third daughter, Dr. Asha Chrysolite, is a pediatrician at Navamani Hospital, Madurai. They are blessed with three grandchildren.

The CMC family is thankful for her almost four decades of dedicated service and wishes her a happy, healthy, and blessed retirement.

**Mr. Thiruvengadam C.G.**, Sr. Grade Office Facilitator – I, retired on 30<sup>th</sup> May 2025 after completing 37 years of service in our Institution. He joined the Department of Radiology as a Clerk-Typist on 1st May 1990. He has been a member of the Radiology staff for the past 35 years. He has been a very dedicated employee, and the department is deeply grateful for his valuable service.

His wife, Mrs. Saraswathi, is a homemaker. They have two daughters and one son: their elder daughter, Mrs. Vishnupriya; their son, Mr. Venkataraman, who has completed his B.E. in Computer Science; and their youngest daughter, Ms. Vaishnavi. The CMC family is thankful to Mr. Thiruvengadam and wishes him a blessed and fulfilling retirement.

**Mr. P. George, Sr. Electrician**, retired on 1st June 2025 after completing 32 years of service in our Institution. He joined the Institution in 1993. Mr. George is an ITI Electrician with a B-License and has been working in rotational shift duties for the past 24 years. He is a quiet and efficient electrician in the Electrical Department. He has been solely managing the Electrical Department workshop for the last 8 years.

His wife, Mrs. Cynthia Mary, is a homemaker. The CMC family is thankful to Mr. P. George and wishes him a blessed and fulfilling retirement.

## Obituaries

**Dr. Ramabai Ponnudurai** (nee Devadasan) (MBBS batch of 1946), passed away on 7th May, 2025.

Dr. Ramabai Ponnudurai (nee Devadasan) was born in Palayankottai, Tamil Nadu on August 19, 1927. She was the third of six daughters, and their father, a renowned attorney named all of them after famous women. All sisters were well-educated and married to equally educated men who sought their hand in marriage despite Mr. Devadasan refusing to give dowry for any of them, not wishing to diminish the standing of his successful daughters.

She lived a full and vibrant life and passed away in the same town where she was born and raised, on May 7, 2025 at the age of 97. She belonged to the CMC batch of 1946, the last batch of only women admitted to the college. She exemplified the motto “To serve, and not to be served”, by dedicating her life to the service of others. She was a phenomenal woman in every way, as a daughter, a wife, a mother, a grandmother and a great-grandmother, and most importantly a wonderful physician.

Following her graduation, she worked in government service and served in numerous small towns. She married Prof. E. D. Ponnudurai in May 1956, and they had two daughters. While Prof. Ponnudurai went on a scholarship to the United States for graduate studies at Columbia University, she stayed behind with their older daughter, since she felt that her skills would be best utilized serving the poor in India. During that time, while she was on duty performing autopsies at the local hospital, there was a large mob gathered outside demanding that the death of a prominent local politician be ruled a suicide. She was unfazed by the demands, determined the death to be the result of homicidal strangulation, and asked another senior physician from the nearby town to come in the middle of the night to ascertain and certify the correct cause of death. This is just one instance of her courage and extraordinary strength that she demonstrated throughout her life, always unafraid to do the right thing.

She was principled, yet charitable and kind to the many people she served, delivering numerous babies and being the family physician for generations of families in Palayankottai where she set up a private practice after leaving the government service. She gave financial help to many who reached out to her, as well as emotional support in addition to healing for her many patients. She was incredibly generous of her time and all her resources, never questioning or doubting who sought her help. While there were many who would tell a heart-wrenching story as to why they needed assistance, no one was turned away empty-handed. Once, there was a young woman who came back years later to thank her, saying that she had helped pay her examination fees at a time when she had no one to turn to, and that had ensured her getting gainful employment and becoming self-sufficient. That willingness to always lend a helping hand to anyone who sought her out was a testament to a life deeply rooted in the Christian faith of service.

She was fiercely loyal, devoted to her family, and to her many friends. She enjoyed interacting with people of all ages, mentoring the young, and being a source of inspiration to many who followed her in her profession. She retired at age 80, but her door was always open to anyone who wanted to stop by for advice or a friendly chat. Her warmth, her affection and her wonderful laugh were infectious, and invited a steady stream of visitors who dropped by until the very end.

She was multitalented, a gifted artist who could paint, draw, sew, knit and do any number of artistic pursuits. She was an expert cook and passed down many of her wonderful recipes to family and friends. She was an elegant host, who entertained many from all over India and the world, while her husband served as the Principal of St. John's College. Her love of gardening made everything thrive around her – she brought cuttings and saplings from her travel to other places and tended to them carefully so that the home was surrounded by greenery with frequent blooms. She lavished her care and love on her family, and was hospitable to all those who needed her support. She was unbeatable in the game of scrabble, chinese checkers and other board and word games. She was a voracious reader, and taught her children and grandchildren to enjoy books by reading to them regularly.

Her dedication to her profession was exceptional, and it was a clear calling for her. Her patients adored her, and generations spoke about how she cared for them. She was known as one of the best doctors in the district, serving people from all faiths and backgrounds, and many traveling several miles to get her professional help.

Her passing was an immense loss to her family, her older daughter Kanchana Jeyathilagar, son-in-law Jeyathilagar, younger daughter Kalpana Nathan (MBBS batch of 1979-80), grandchildren, Minothi, Minthami, Jeyakesh and their spouses, granddaughter Nila and greatgrandchildren.

Her funeral service was held at 4 pm on May 9, at Christ Church, Palyankottai, and the prayer meeting was held at St. Johns College Chapel on May 10, 2025.

You are welcome to reach out to family if so desired: Dr. Kalpana Nathan (MBBS batch of 1979-80): +1 650 279 5596 (Whatsapp) or [knathan@stanford.edu](mailto:knathan@stanford.edu).

Our thoughts and prayers are with the bereaved members of the family at this time.

- **Dr. Naresh Solomon Raj Pinapati** (MBBS batch of 1976), Hyderabad, passed away on 1st June 2025.

“I have fought a good fight, I have finished my course, I have kept the faith.”

- 2 Timothy 4:7

Below is an eulogy by the batch of 1976:

Adieux, dear friend, Solly.

With a heavy heart and profound sorrow, we, the 1976 MBBS batch of CMC Vellore, fondly remember and bid farewell to our dear friend and cherished classmate, Dr. Naresh Solomon Raj Pinapati, ‘Solly’ to us all, who choose to embark on a journey to heavenly abode on 1st June, 2025.

Naresh was an extraordinary individual whose presence brought joy, kindness, and happiness to everyone he met. As one of the most generous and kind-hearted members of our cohort, his commitment to humanity and God, left an indelible mark on everyone who had the privilege of knowing him.

Naresh had larger than life presence throughout our college journey: friend, brother, mess secretary, supplier of dollops of fiery Guntur pickles, bridge-player, a great raconteur. A voracious reader, imbued with generosity, compassion, and camaraderie, he was not just another classmate; he was a confidante who inspired instant trust and confidence. His genial smile, hearty laughter, abundant wisdom, soothing words, uplifted our spirits in times of difficulty that has been the cornerstone of our shared experience.

After he left CMC, he left indelible impression on colleagues and friends during his work at Guntur Kugler hospital, India, and William Harvey Hospital, United Kingdom, where he pursued specialist training in Orthopaedics. He was a person of immense warmth and humility, with strong and authentic belief in the values of friendship, kindness, patience. He was embodiment of the essence of humanity.

It's difficult for us to believe that Solly has left us so suddenly and so early. He had been a beacon of solace and support when we needed the most. He used to share Bible verses and inspiring quotes regularly that elevated our spirits and energised our days. He has left us with fond memories that we shall cherish.

As we bid farewell to Solly, we are united in our grief and the fond remembrance of the time we spent together. May his soul rest in eternal peace, and may his legacy inspire us to live with the same passion and purpose he embodied.

He was deeply devoted to his family. His passing is an irreplaceable loss to his wife, Ephatha, and daughter, Dahlia.

Memorial service will be held at 10:30 AM on 07 June at Kalpataru Residency, Erragadda, Hyderabad. Solly's immediate family can be reached on e-mail: [vandunaresh@gmail.com](mailto:vandunaresh@gmail.com) / mobile: +91 7032918643 (Mrs. Ephatha).

Our thoughts and prayers are with the members of Naresh's family and friends.

- **Dr. Andrew Braganza**, Sr. Professor, Department of Ophthalmology and former Head of Department of Ophthalmology, passed away on 1st June, 2025.

Let us uphold his daughters Ms. Soumya Braganza and Ms. Tara Braganza and all the bereaved members of the family in our prayers.

- **Mr. Franklin Rufus Jeevanesan**, retired Electrician, Electrical Department, passed away on 2nd June, 2025.

Let us uphold his wife Mrs. Mary, daughter Mrs. Angelina, son Mr. Rufus, (former CMC Staff in O5 West) and all the bereaved members of the family in our prayers.

- **Mrs. Shanthi S.**, mother of Mrs. S. Komathi, Secretary, Electrical Department, passed away on 3rd June, 2025.

Let us uphold her children, grandchildren and all the bereaved members of the family in our prayers.

- **Mrs. Mariamma A.**, Hospital Housekeeping Attendant Gr.I, ISSCC Facilitation, passed away on 5th June, 2025, Mother of Mr. Kotes, HHKA, ISSCC Facilitation, Mrs. Bhavani, Staff Nurse, Chittoor Campus and Mrs. Nandhini, HHKA, Hospital Maintenance.

Let us uphold all the bereaved members of the family in our prayers.

She served the Institution for 23 years.

- **Mrs. Padma Jayaraj**, passed away on 5th June 2025, mother of Mr. J. Pinto, (Retd.) Dy. Treasurer, CMC, Mrs. J. Celina Daniel, (Retd.) Instructor, General Pathology and Mrs. Jasmine Ponni, Staff Nurse, Paed. Surgery OPD, mother-in-law of Mr. Daniel Rajkumar, (Retd.) Sr. Librarian, CON, Mr. Tensingh, MCTT and Mrs. Lathakumari Lincoln, Sr. MCTT, grandmother of Mr. L. Lenin Jaison, Accountant, Finance & Accounts Department.

Let us uphold all the bereaved members of the family in our prayers.

- **Mrs. Ponniammal**, mother of Mr. Tamilarasan, Artisan, Environmental Engineering Department passed away on 6th June, 2025.

Let us uphold all the bereaved members of the family in our prayers.

## Situations Vacant
